Description

2026 Bluefin Drifter 4.15M, This new Bluefin drifter 4.15M is powered by a Mercury 50HP Tiller steer outboard motor, This Drifter is sitting on a Seatrail trailer AL4.6M13 with spare wheel and spare wheel holder.

Optional extras fitted to this boat, Side decks fully welded, Floor chine to chine, Deck casting, Electric motor mount.

The Mercury 50HP has smart craft connect fitted to the engine, with a easy download app you gain engine gauges on your smartphone.

Bluefin drifter 4.15m is a massive with so much fishing room, with a beam 2020mm on this boat, really stable all round fishing boat

The range of popular Elliptical hull Drifter's are ideal as car toppers or fishing platforms as they offer excellent stability. Drifter's have a class leading beam carried well forward providing a larger internal space.

Drifter's come in a large range of sizes and options to suit your application and needs. Solidly constructed and fully welded, they have large foam filled seats for flotation for your safety.

Great boats to get into shallow waters or impoundments or used as a tender and a comprehensive range of options to build it how you want it.

395 & 415 Drifters come with the Eziride hull design providing great stability and smoother riding whilst offering improved lift from the reverse chines.

Standard features.
