Description

The Mercury Racing Lab FinishedBravo Ipropellers offer great planing performance, excellent mid-range speeds and awesome top end speeds for center console applications.

The vented Bravo I is geared toward cats and step bottom boats with high outboard engine heights. It is available in LH and RH rotations: 22", 24", 25", 26", 27", 28", 29", 30", 32", & 34" pitch. The vented Bravo I is Lab Finished with 1" vent holes for high horsepower Mercury OptiMax, Pro XS, XS and additional two stroke outboard applications running on performance Bass, Flats and Center Console boats.

For the Verado applications the vented Bravo I is not required, refer to theBravo I Verado & Sterndrive propeller.
